

WE WILL SPEND \$100,000 BEFORE OUR GUIDE SHALL BE PUT DOWN.

The above remark was made by the editor of the noted Rail-road Guide in his last edition; but unless more accuracy is to be found in the tables in this Guide, we think that the \$100,000 and the guide, &c., will both go down particularly as LLOYD'S RAILROAD WEEKLY is in the full, indeed, its 10th year, and the "List of Railroads" in Appendixes is now October, 1860.
